POLY WALL WELCOMES ACCENT BUILDING MATERIALS AS NEW DISTRIBUTOR

ENNIS, TX – Dan Thomas, Poly Wall Building Solutions Business Development Manager, is pleased to announce the addition of the Tomball Texas location of Accent Building Materials to the Poly Wall distribution network.

Accent Building Materials serves the Lumber and Building Material channel in the Texas, Oklahoma, Arkansas, Louisiana, Missouri and Kansas markets. Accent Building Materials is a leading distributor of building material fasteners, concrete products and accessories along with various acoustical wires and products.

“We see Accent’s strong position with the Lumber and Building Material retailers in this market as a natural fit for the Poly Wall line of Moisture and Air barrier products,” Thomas said. “All levels of Accent’s company are committed to forging strong ties with their customers, vendors, and employees. This dedication proved Accent to be the partner we were looking for to represent Poly Wall Building Solutions. We see a long and profitable growth relationship between our companies.”

Poly Wall® Building Solutions manufactures a market leading line of waterproofing and air barrier membranes designed to enhance the integrity of your structure. Our products are all made in the USA and have been tested to withstand the most rigorous requirements in the construction industry. With 60-plus years of manufacturing excellence and a culture only found in an employee-owned company, Poly Wall® is committed to quality and performance.
