HEADLINE: EXPECT DELIVERY DELAYS IN SOUTHEAST TEXAS

In the aftermath of Hurricane Harvey, Poly Wall Building Solutions is advising customers that delays are to be expected throughout the region.

“Due to the intense flooding and destruction caused by this storm, our thoughts and prayers are with those affected and those who have family that was affected,” Business Development Manager Dan Thomas said. “As always, business is secondary, but we wanted to inform our customers in southeast Texas or in places where transport derives from southeast Texas that delays may happen.”

Poly Wall® Building Solutions manufactures a market leading line of waterproofing and air barrier membranes designed to enhance the integrity of your structure. Our products are all made in the USA and have been tested to withstand the most rigorous requirements in the construction industry. With 60-plus years of manufacturing excellence and a culture only found in an employee-owned company, Poly Wall® is committed to quality and performance.
